DECISION ON PETITION

UNDER 37 CFR 1.137(b)

The petition to revive under 37 CFR 1.137(b) filed 05 October 2004 in the above-captioned application is hereby **DISMISSED** as follows:

As detailed in the decision mailed 05 August 2004, a petition under 37 CFR 1.137(b) requesting that the application be revived on the grounds of unintentional abandonment must be accompanied by (1) the required reply, (2) the petition fee required by law, (3) a statement that the, "entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional" and (4) any terminal disclaimer and fee pursuant to 37 CFR 1.137(c) (where required). Applicant previously satisfied items (2) - (4) above.

However, with regard to item (1), the proper response was the required sequence listing pursuant to 37 CFR 1.821-1.825. The computer readable form filed 05 October 2004 was found to be non-compliant and a corrected diskette is needed. (See attached copy of CRF Problem Report.) Accordingly, the proper reply has not been furnished.

For the reasons stated above, the petition for revival cannot be granted at this time and the application remains abandoned.

**CONCLUSION**

Applicant's petition under 37 CFR 1.137(b) is **DISMISSED**.

This application remains abandoned as to the United States of America.

If reconsideration on the merits of this petition is desired, a proper response must be filed

within **TWO (2) MONTHS** from the mail date of this decision. Any reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.137(b)." No additional petition fee is required.

Please direct further correspondence with respect to this matter to the Mail Stop PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration.
